Yearbook- Senior Recognition ADS

Dear Parents of Seniors,

The yearbook staff would like to give you the opportunity to purchase a section in the back of our 2023-2024 yearbook in order to send a special message to your son/daughter. In your message, you can congratulate your child on his/her graduation, send encouraging words for the future, or just express how proud you are of him/her. You may also choose to include a picture or two (senior, baby, childhood, etc.). You can make your child’s senior year even more memorable with a personalized message in his/her yearbook.

The deadline to submit your order is **Tuesday, November 28th, 2023**. The yearbook staff did have to turn parents away last year because we had too many ads and not enough space. The sooner you send in your information and payment, the better.

Please return the bottom of this sheet with a **check payable to Fowlerville Community Schools OR CASH OR you can purchase them ONLINE at jostensyearbooks.com**

Also, make sure that your child’s first and last name is on the back of any pictures you wish to be returned to you. Digital photos in JPEG format are preferred, recommended, and can be emailed at the address below or uploaded to Jostens. Wallet sizes of senior photos are acceptable.

- 1/8 AD with 1 picture: \$45.00**
- 1/4 AD with 1-2 pictures: \$80.00**

Please return the bottom portion of this form to the HS office by **Tuesday, November 28th, 2023**, with payment or submit on JOSTENS. Pictures and message can be included or can be emailed to FHSyearbook@fowlervilleschools.org
