

Student/Parent/Teacher Compact

Fowlerville Elementary Schools

The purpose of our Home/School Compact is to build a bridge of communication between the home and school environment. Our goal for each and every student is to develop his/her physical, cognitive and social well being.

As we move through the school year, please feel free to contact your student's teacher and/or building principal as needs and concerns arise.

If you have any questions about this compact, please contact your child's classroom teacher.

As Parents or Guardians, I/We will:

- support my child's learning. My support will include making sure my child is in school. I agree to spend regular quality time enhancing my child's academic growth by doing the following:
 1. reading with my child regularly at home.
 2. Monitoring T.V. watching and electronic game playing.
 3. being aware of my child's health needs.
 4. volunteering to help at school when possible.
 5. helping with homework completion.

As Educators, the Smith/Kreeger Staff will:

- provide a safe, positive, well-managed environment where all children are treated fairly with respect and compassion.
- provide the students with a quality curriculum and research-based instructional practices.
- continue to be lifelong learners knowledgeable of current best practices in the field of education.
- provide open communication with parents, students, colleagues and community.

As a Student, I will:

- treat all members of the school community and their property with respect.
- participate actively in my classroom and complete and return homework assignments.
- do my best work and keep trying even when the work is hard.
- talk to an adult at home or at school if I have any problems, or don't understand things.

Fowlerville Community Schools Mission Statement:

With our primary goal to improve the quality of life for all residents of our district, the following will assist us to that end. We believe that all students can and will be encouraged to learn. Our mission is to provide educational opportunities for all students to support this belief. The guiding principles of the District are educational excellence, personal integrity, effective leadership, continuous improvement, employee involvement, and a partnership between the District and all members of this community.

Kreeger/Smith Student/Parent/Teacher Compact for 2010-11
