

# Fowlerville Community Schools

---

2/10/2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2023-24 educational progress for Natalie Kreeger Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Jason Miller at 517-223-6340 for assistance.

The AER is available for you to review electronically by visiting the following website, or you may review a copy in the main office at your child's school.

[https://www.mischooldata.org/annual-education-report-1?Common\\_Locations=1-S,9609,1147,94](https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,9609,1147,94)

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in The Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup in 2023-2024. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-2022. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%, or failed to exit ATS status in 2021-2022. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given any of these labels.

The key challenge for Kreeger Elementary is closing the achievement gaps in all subjects. Our main goal is closing this gap while also raising student performance across all three grades we service. We routinely monitor student progress, and the i-Ready assessment was added to the school calendar in the 2023-2024 school year. We consistently analyze student growth throughout the school year. Kreeger Elementary has also increased the additional support we provide students in reading and math. We have worked with Washtenaw Intermediate School District and Livingston Educational Service Agency (LESA) to create and implement strategies for further student success and building sustainable learning systems based on reliable data.

State law requires that we also report additional information. Enrollment for Kreeger Elementary is coordinated through a district-wide registration process. Students are assigned to our school from our feeder school (Smith Elementary K-2). Students are then put into classrooms based on availability, academic need, gender, and

demographic factors to ensure each classroom is well-balanced for the learning needs of all students.

Schools: Departments:  
Little Glad Center - Pre-School Programs  
Fowlerville Elementary - Grades K-2  
Kreeger Elementary - Grades 3-5  
Jr. High School - Grades 6-8  
High School - Grades 9-12  
F.O.L.A. - Alternative Education

The Kreeger Elementary five-year school improvement plan is a work in progress, with a targeted May 2026 revision date. We are making steady progress toward all of our school improvement goals. We understand that growth will take time and feel we are on the right track as a building and district.

Access to the district's core curriculum can be found on the district's website for all core classes. Hard copies of the full curriculum can be obtained in the Kreeger office upon request from those families without internet access. A new K-5 literacy curriculum was adopted after a thorough vetting in the fall of 2024.

Student achievement iReady test scores for the 2023-2024 school year are below. They show the percentage of our school population at each grade level in the Tier 1 (average or above range) for ELA and Math.

**iReady mid-year data 2023 ELA**

Tier 1  
3<sup>rd</sup> grade 63%  
4<sup>th</sup> grade 46%  
5<sup>th</sup> grade 42%

**i-Ready mid-year data 2024 ELA**

Tier 1  
3<sup>rd</sup> grade 63%  
4<sup>th</sup> grade 43%  
5<sup>th</sup> grade 47%

**i-Ready Fall data 2023 Math**

Tier 1  
3<sup>rd</sup> grade 38%  
4<sup>th</sup> grade 51%  
5<sup>th</sup> grade 49%

**i-Ready Fall data 2024 Math**

3<sup>rd</sup> grade 32%  
4<sup>th</sup> grade 38%  
5<sup>th</sup> grade 57%

Kreeger Elementary enrolled 589 students in the 2023-2024 school year and had a parent-teacher conference fall attendance rate of 97%. The spring attendance for 2023-2024 parent/teacher conferences was 86%.

As we reflect on this school year, I am filled with pride and gratitude for our remarkable progress together. This year has been a testament to the power of dedication, collaboration, and a shared commitment to excellence.

Academically, our students have demonstrated outstanding growth. Their hard work and curiosity have been truly inspiring, from improved test scores to innovative classroom

projects. Our teachers have gone above and beyond, fostering a love of learning while ensuring every child feels supported and challenged.

These successes reflect the strong partnership between our students, families, and staff. Your support at home, engagement with our school, and belief in us have been vital to this progress.

As we celebrate these achievements, let us also look ahead with excitement and determination. Together, we will continue to nurture an environment where every child can thrive academically, grow emotionally, and shine as a positive force in the world.

Sincerely,  
Jason H. Miller, Kreeger Elementary Principal
